

help you achieve this. Of course, individual pieces of furniture can simply be purchased but that most often affects the cost. X3 Interiors manage the complete process of designing, planning, providing, installing and styling a property from start to finish. Purchasing the furniture can take time if it can be rented, or re-sold or stored, but increasing the cost certainly doesn't help.

SAVE A MASSIVE 70%

Having furniture is a great option. It has serious purchase needs to save around 75% of your capital. Most furniture hired for a duration is 'up to self' proper to lend for around 10 to 12 weeks. If the development is a longer scale unit project or indeed if the market is low because a firm can be for any agreed period. A full blown duration takes only days to complete once the project is signed and makes for a speedy solution to get on the market. From plans to survey to design, supply installation and styling, X3 Interiors provide a seamless service. With a superb range of furniture, immediately available, the in-house design team handles the complete process from start to finish. No-fuss to say, X3 Interiors and X3 Showhouse Furniture have solutions of instant status. They are the 'X' factor in selling property. ✪

Style to sell!

If you have never visited the Aladdin's cave of award-winning furniture and accessories, known as X3 Showhouse Furniture and X3 Interiors, now is the time to get a family in your diary as a treat do. The film and TV industries, builders and developers also have benefited from this very original niche-market source of furniture for years. However, this public can also fully use this treasure trove of furniture and accessories simply by making an appointment to view.

STYLE TO HILL

London's private interior studio in Bowdoin is always a constant line of activity. Last year alone has company, X3 Interiors, helped

to sell over £25million worth of properties via their unique style to sell furniture hire service. Acknowledged throughout the trade as an invaluable friend to the industry and to many leading, Managing Director of Countrywide, puts it 'Travelling furnished properties will reach faster. X3 Interiors style to sell furniture hire service is one of the best ideas I have seen in a long time.' Certainly those 'in the know' have been using the design and hire services of London, and her husband Carlo, to create Showhouses and furnish their properties for over a decade. Without a doubt heavy sale, and the transformation seen between an unfurnished property and a professionally furnished and styled property is astounding.

A QUICKER AND BETTER SALE

With new developments coming on stream continuously, the developers and investors working in such a competitive market place find that it is crucial that their properties look the absolute best to give a quicker and better sale. X3 Interiors offer various options to
